ABOUT YOUR SUMMER IN SPAIN

Strolling through the streets of Madrid is like taking a trip through Spanish history.

Students may visit such varied and interesting locations as the Royal Palace, the Prado Museum (one of the world’s premier collections of fine art), shops and theaters along Gran Vía, and the Centro de Arte Reina Sofia which houses Spain’s major collection of modern art (including Pablo Picasso’s famous Guernica).

You will enjoy immersing yourself in the Spanish language and will, as a result, experience an accelerated learning process.

A special feature of the program is the opportunity to live with a Spanish family and to share customs, meals, and other aspects of life with them.

Formal classes are conducted in the afternoon, and the morning is devoted to visiting places of cultural and historical interest.

Living in Madrid may prove to be one of your smartest educational decisions ever, as you familiarize yourself with one of Europe’s most cosmopolitan cities.

You may visit other major cities, such as Toledo and Segovia, as well as Seville, and the wonderful Moorish Palace of the Alhambra in Granada.

When in Madrid, students reside and eat breakfast and dinner in private homes, an arrangement that allows for optimal immersion in and appreciation of Spanish culture.
