YOUR SUMMER IN CÁDIZ

Cádiz is considered to be one of the oldest continuously inhabited settlements in Europe. Located in Southern Spain, “Gadir” was founded by the Phoenicians around 1100 BC. Cádiz is popularly known as the “tacita de plata” or “silver cup,” for the shape of its old center, surrounded by the glimmering waters of the Atlantic Ocean.

Cádiz is an ideal place from which to be submerged in Spanish culture, allowing us to appreciate the old and the new that this thriving city has to offer, from its Roman vestiges to its ties with America. Its distinctive urban planning brings echoes of America’s colonial cities, such as San Augustine in Florida, La Habana in Cuba, and Cartagena de Indias, in Colombia. You will be able to immerse in its rich history and culture, explore amazing beaches, and experience the daily life of “gaditanos.” From Cádiz, the program will explore other important sites in Southern Spain, such as Seville and Granada.

The Summer Program consists of a five-week linguistic and cultural immersion experience. The program blends rigorous academic study and varied co-curricular activities. Both, in class and outside of the classroom, students benefit from meaningful real-life communication. Through daily classroom instruction, cultural visits, fieldtrips, and cultural events – such as flamenco dancing and a culinary lesson – students have the opportunity to build new vocabulary and to develop the four skills (listening, speaking, writing, and reading). Constant interaction with native speakers at home and at school contributes to their linguistic and cultural fluency.

**PROGRAM COST**

The program cost is $4,250. Considering the value of the Summer Program in Spain, this is a very reasonable price that includes: UNCG tuition for six semester hours of credit; accommodations, weekly laundry, and three meals daily for five weeks spent in Europe; excursions to museums and several cultural activities. When in Cádiz, students reside and eat their meals in private homes, an arrangement that allows for optimal immersion in and appreciation of Spanish culture. **Textbooks, study supplies, and air travel between Greensboro and Spain are not included in the program cost.** Students will need additional money for personal expenses, local transportation, and independent travel not covered by the program.

**Payment Policy**

In general, the $400.00 program deposit is not refundable unless the student's application is rejected. If the student withdraws from a study abroad program after applying to the program but prior to the start date of the program, the student will be refunded the program cost, excluding the deposit and any portion of the program cost which is unrecoverable. Even if the student has not yet paid the full program balance, he or she is obligated to pay the Department for any unrecoverable expenses incurred on the student’s behalf. If a student withdraws from a study abroad program after the program officially begins, no money will be refunded. If a program is canceled, the Department will refund any recoverable cost. Because full refunds are often not possible, students may wish to consider purchasing trip cancellation insurance.
